

# HUTCHINSON CONSULTING

Hospitality Management Recruiting Since 1993

**Hutchinson Consulting offers management recruiting services to the hospitality business - hotels, resorts, spas, and estates.**

## **Hospitality Management Recruiting:**

- ▲ We maintain a data base of ten thousand top-level **hotel managers, resort managers, and spa managers.**
- ▲ For **families of great wealth** seeking an **estate manager** or a **chief of staff**, we conduct discreet, confidential searches.
- ▲ We find, screen, and reference check the **finest managers** in the **hospitality business.**
- ▲ Our clients include some of the most distinguished **hotels, resorts, and spas** in the United States . . . and internationally.
- ▲ Our **hospitality recruiting firm** will save you time and money—by presenting to you only candidates who are highly qualified for your **hospitality management position.**

## **Team Building Seminars:**

- ▲ Team Building Seminars are designed to disclose the individual strengths and assets of your team members ... and teach them how to work together more effectively.
